To Our Valued & Loyal Customer,

To reflect current manufacturing expenses and raw material price increases we have faced, Robar Industries will be implementing a price increase effective March 1st, 2021.

Robar will have a **5%** increase on all list prices for products in our price book.

Robar's freight allowance will remain unchanged at \$2,500.00 net.

Robar's 2021 pricelist will be available electronically for download from our website in early February (www.robarindustries.com) – however, if you wish to receive a “hard copy” please contact our sales office by phone or email (waterworkswest.sales@robar.ca) and we will mail the required copies to you.

If you have any questions regarding the pending increase, please contact your local Robar Territory Representative.

Sincerely,

Trevor Eden
